¹ Federal and state policies require that all K-12 students identified as language minority students through the Home Language Survey (HLS) process upon initial enrollment be assessed for limited English language proficiency. The state instrument for identification of limited English proficient (LEP) students is the WIDA Access Placement Test (W-APT™). The identification and the subsequent placement of LEP students in ESL services are guided at the state level by the NCDPI Curriculum, Instruction & Technology Division. All students identified as limited English proficient (based solely upon W-APT™ scores or previous IPT scores) must be administered the ACCESS for ELLs® during the annual English language proficiency testing window.

² Grades 4 and 7 will have ongoing writing assessments that are to be scored locally. All students (including those identified as limited English proficient and those with disabilities) are included.
